High Desert Rovers of New Mexico
December Meeting Minutes

A big thank you to Dan Barton and his wife Nicole for graciously opening up their house in Paa Ko for our High Desert Rovers Christmas party!

A few of us decided to carry on the Wrong Way Rover tradition and were late to the party. A wonderful assortment of goodies for our pot luck spread was enjoyed by all! Everyone did a wonderful job! After a brutal game of "white elephant" gift exchange a small meeting for updates was held by Mike Robertson, President.

Introductions of new/old officers. Announcement that the newsletter and the calendar will be out by January and anyone with announcements or articles to please submit them ASAP to Mike. Looking forward to a great year!
