

High Desert Rovers Minutes
March 9, 2004
Trombino's

Tom Chavez started the meeting with a sad note. Our newest member Jennifer _____ has been hospitalized with very serious health issues. Tom was kind enough to bring a card for us to sign throughout the evening, and he promised to keep us up to date on her progress.

Mike Robertson started the meeting at about 6:30 pm. Steve Grabiell reported the Treasury balance is currently \$213.00. Todd Pfortmiller mentioned that he had picked up an XL High Desert Rovers shirt from the last meeting that had been left by one of our members. He will hold on to it until the owner comes forward, ensuring its care and feeding are appropriate. He also proceeded to remind us that he still has not received his SW 4-wheel Drive Association bumper sticker.

The trip to Water Canyon was discussed by Tj, the wrangler. He asked everyone to meet at Isleta Casino at 9:00 am Saturday, March 20 and he will lead us on a terrific trail. Mike Robertson asked for a volunteer to be sure to do a write-up of the trip for the newsletter.

Upcoming events:

Avalanche Ranch April 16-18. Tim (Rainman) Rainwater is wrangler.

Moab in May. We are still looking for a wrangler for this event, and may decide to change this to a day-trip.

Angel Fire, June 12 & 13. Mike Robertson and Susan are wrangling this one

Ouray, July 16-18. Todd Pfortmiller is organizing this one, even without the aid of his SW 4-Wheel Drive sticker.

August 21 – Club Party as put together by Christine Grabiell and their house of critters.

Tim Rainwater asked the group if anyone would volunteer to be his CB Radio installation buddy. There were plenty of volunteers which will make either quick work or a complete disaster of the installation.

Mike Robertson did his usual begging for newsletter submissions by the end of the month.

Did I mention the incessant whining about the SW 4-Wheel drive sticker?.....

Great food, great fellowship, thank you all.
