

Meeting Minutes April

Tonight's meeting was held at Gardunio's on the Green.

Old Business

- President, Rob Dassler started the meeting by asking for the approval of last month's meeting minutes. Minutes approved and second.

New Business:

Treasurer's Report:

- Our Treasurer was not present, but update to Treasurer's last report; club members voted for the Club to buy lunch for group on in Sedona, Arizona. Club members that made the trip had a wonderful time; we lucked out with the weather (clear & mild) although we did have a storm come in on Monday on our way home. We did some really picturesque trails; be sure to check out the web site for pictures. Thanks to Tim for putting this trip together for the club.
- Next meeting will be at Tim Rainwater's on May 13th a 6:30pm. He will send email to club members with directions.
- Update to Hole In the Rock trip scheduled for May 18 – 22. Craig Davis will be the guide. More information will be posted as time nears. Please contact Tim Rainwater for any additional information. This will be a camp on the trail trip, so be prepared to bring everything in and out.
- Our next trip will be to Choke Cherry Canyon in Farmington on April 22. Interested club members will meet Friday afternoon at about 5pm. Tim Rainwater and Abe Villesca will be leaving on Saturday morning and meeting the rest of the group at the trail head. We will also have a barbeque Saturday night at Bill and Bernadette's, our members at large in Farmington. Please contact Tim Rainwater for any additional information. Mark & Pattye Lacy and Oliver & Michele Whiting have opened up their homes in Durango to club members. This is about 30 miles away from the trail head.
- Tim Rainwater would like to do a camping trip to the Red River area around June 10-11th. This will not be extreme 4 wheeling and Tim is determined to make it to Middle Fork Lake this year. More information will be given as time nears.
- **Other upcoming trips:**
- August 3 – August 7 – Ouray, Colorado. Originally this trip was planed for July; but club members were unable to get camping spaces at this time. More information will be posted as we near August.
- September – National Land Rover Rally in Moab, Utah. We have six campsites reserved for club members. Please contact Tim Rainwater if you need to make arrangements for camping accommodations. More information on club participation and plans will be addressed in later meetings. Reminder that registration for the National Land Rover Rally is up to the individual club families; dues are due by July. Make sure to log on to Solihull site and read

registration materials and dates. Link available for more information. You will want to get this done soon.....space will be limited.
