

Meeting Minutes June 2006

Tonight's meeting was held at the Tim & Michelle Rainwater's home. A **BIG** thank you to Tim and Michelle for opening up their home once again to the club.

Old Business

- Meeting started with President, Rob Dassler thanking Tim and Michelle Rainwater for sponsoring tonight's club meeting in their home. Tonight's dinner was a fantastic bar-be-que dinner with Tom Chavez "smokin" the meet for us. Attending members brought cover dishes and/or deserts to share with the group...thank you to everyone for coming and for the wonderful food!
- Meeting Minutes from June were approved and seconded.

New Business:

- Jackie suggested that we update the welcoming paragraph on the High Desert Website. This paragraph was written in 2002 and some of the member vehicles are no longer members. Also, Jackie stated that we should remind club members to submit a photo of members along with their vehicles to add to the Member Profiles on the Website. Jackie will contact Able, aka Webmaster G and get the website updated.
- Steve Grabiell suggested that the club members redesign the club shirt (reminder: a free shirt & sticker are given to new club members – one per club family). Susan stated that we only have three remaining club shirts in stock. After handing out shirts to new members – we no longer have the polo style shirts. Jackie will check on t-shirt pricing. It was suggested that we have new club shirts by the time we go to the National Land Rover Rally at the end of September.
- August meeting will be held in Ouray, Colorado on August 06. If you can not make the trip but would like to add an agenda item or comment; please contact Jackie Dassler.

Treasurer's Report

- The club's balanced is still at \$991; although Sue stated that we have added three new and/or renewing members to the club membership this week. She will deposit that money on Monday. Also, the club will pay Tim Rainwater \$40 for tonight's event. This was previously approved in June's meeting.
