

**High Desert Rovers**  
**Meeting Minutes**  
**August 05, 2006**

This month's meeting was held in Ouray, Colorado at the Coach Lite Restaurant. We had quite a turn out as 14 vehicles make the Ouray trip this year!

Meeting started out by Rob Dassler thanking participants for a great day of off roading. Yesterday's trails consisted of Black Bear and Imogene (some participants took Ophir Pass back to Ouray). Saturday's trails were Engineer Pass to Animas Forks and then Cinnamon Pass to Poughkeepsie Gulch. Thank you Tim for organization another great annual event!

Special guests: Jack Passant from Pagosa Springs. Jack led the group in 2002 on its initial visit to Ouray. Welcome back Jack! Also with us this weekend is Randy Black, our member from Oklahoma. Thank you to Randy for driving all this way to join the group. And Scott, Evelyn, Ryan, and Zachary Berry (part of the Dassler clan) from the Ft. Worth area also joined the group.

Treasurer's Report: Susan reports that we have over \$ 1,000 in our club account. At this time we do not have any outstanding payables.

Upcoming Trip Updates:

Our next event will be the National Rally in Moab, Utah. Interested members need to register by August 15. Rob and Jackie Dassler have reserved 6 campsites for members who will be camping; contact Jackie for reservation information. We have about 10 member vehicles signed up to go! This promises to be a great trip as the High Desert Rovers are known to have one of the larger individual club turnouts for this event. More information on this event will be announced the closer we get to departure date.

Club members decided that we would try to do a day trip before Moab. Tim will email everyone with possible trails.

Next month's meeting will be at the Calico Café. Jackie will set up the meeting and email members with info.

Meeting adjourned.
